

## Bon Appetit!

A Membership Benefit of the on Museum of Contemporary Art

MMoCA members may receive 10% off every meal at every Food Fight restaurant (up to \$10 per visit). Just show your membership card to receive your discount.

### Here's How It Works:

- Show your MMoCA membership card to your server before asking for the check. You must have your current card with you to enjoy your discount.
- Discounts apply to food and beverage only, not gratuity.
- Save up to \$10 on your food and beverage check. (Checks exceeding \$100 will receive a flat \$10 discount.)
- Use your discount on all food and beverage orders, but not on gift card purchases.
- Enjoy again and again at all Food Fight restaurants.
