The Madison Museum of Contemporary Art (MMoCA) Welcomes One and All to the 64th Annual Art Fair on the Square

The Board of Trustees and Staff of MMoCA are excited to welcome you to the 64th annual Art Fair on the Square! The Art Fair on the Square is the largest and longest-running fundraiser for the Museum. Over the Art Fair weekend, fairgoers can meet nearly 500 juried artists; purchase unique works of art and fine craft; taste sweet and savory treats from dozens of food vendors; visit sponsor booths to learn more about their offerings and giveaways; and take in live entertainment on three stages. This year the full Silent Auction tent is back, along with a lively Kids Area and the Emerge Block, which features a dozen early-career artists, some of whom will be exhibiting in an art fair for the very first time.

ABOUT MMoCA

The Madison Museum of Contemporary Art offers free daily gallery admission. The Museum's vision is to be an organization that fosters the exchange of ideas and creates experiences that will inspire a wide audience; be a nexus for the work of emerging and established regional, national, and international artists; serve as a catalyst for the continued development of a vigorous community of artists; and provide a forum that will encourage people to be challenged by, reflect on, and make connections between art and the world around them. The Museum includes four galleries, a rooftop sculpture garden, and The Shop, a space providing interactive contemporary art experiences and educational workshops for the community.

Please visit mmoca.org to plan your visit and learn more about our events, exhibitions, and programs.

JURY PANEL

MMoCA is pleased to welcome the 2022 Art Fair on the Square Jurors

SHARON BJYRD

Sharon L. Bjyrd is best known for her vibrant portraits. Self-taught, Sharon entered the art world as a second passion after a life slowdown due to chronic illness created the space to rediscover her love of painting. Her medium of choice is acrylic paint, where her work touches on themes such as diasporal culture, natural hair, body positivity, and colorism. Sharon's work has most recently been featured in the *Honoring the Black Woman* exhibition at Madison College, as well as the book *Let's Talk About It: The Art, The Artists and The Racial Justice Movement on Madison's State Street*; at MMoCA's Art Fair on the Square in 2019; and the historic South Side Community Art Center, Chicago.

LIUBOV SZWAKO

Liubov Szwako is an experimental human in constant pursuit. Born and raised in Mexico City, he is uniquely connected to unconventional found objects, large mural works, and fine art. His use of spray paint, acrylics, and other mediums creates powerful patterns and shapes both undeniably recognizable and pure. His persistent urge to paint allows him to create and bring to life an endless stream of ideas which are often repetitive and spontaneous.

ADAM VILLEGAS

Adam Villegas is an artist and curator from Milwaukee who graduated from UW-Madison with a BFA focus in painting and printmaking. While a student and post graduation Adam has organized Pop-Up art shows and installations featuring local artists, fashion, and musicians. He is the founder of LivingOutUnrealDreams clothing company where he designs and prints clothing by hand. His influences stem from his Latino culture, Hip Hop, his childhood filled with vibrant street art, and *LOUD* music.

MEGAN WIGTION

Megan Wigton is the owner of Megan's Custom Framing, and Isthmus Art & Framing in Madison. Megan has been in the art and framing industry for nearly 17 years, and loves working with all styles of art. Megan strives to support as many local artists as possible and allows artists to use her galleries for shows and to display their art free of charge. Megan believes art is for everyone regardless of income level or background. At the age of 21, Megan opened her first frame shop and never dreamed it would take her where she is today. "Working with art every day is like a dream come true" says Megan.

MICHAEL ROHNER

MMoCA selected Michael Rohner to be the 2022 Art Fair on the Square Featured Artist. The featured artwork, *Milk and Honey*, is a pen and ink mixed media illustration on cold press watercolor paper. A limited edition, archival-quality print will be available for bidding in the Silent Auction at the Art Fair.

ARTIST'S STATEMENT

I see beauty everywhere, even when it hurts. Failure can be an opportunity; tragedy can be a step towards transformation. Our existential fears can prevent us from seeing that which is in others.

I've lived through trauma, violent loss, and isolation. I've been blessed with a very untraditional background: immigrant parents and a stepfather, all from different countries, along with three older sisters. Otherness, femininity, international world views, and survival were all woven into my upbringing. It's a miracle my mother made it through her fatherless childhood in post-war, rural South Korea. The gifts she persevered to teach me are, priceless: to see a world as I want it, not as it is; there is wisdom in animals, and trees; and to find happiness and joy within. My stepfather, from India, was also adept at seeing the world with his own eyes; he found success as an entrepreneur, filling voids in the market. My family is loving; my half sisters raised me as their little brother — I am filled with gratitude.

Every phase of my life — home, school, work,

community — I've seen through this kaleidoscopic lens. There was always another way to look at things, resolutions found under the unturned rock. I've spent decades learning to describe this, but I'm better at showing you how contradictory elements can exist within the same space.

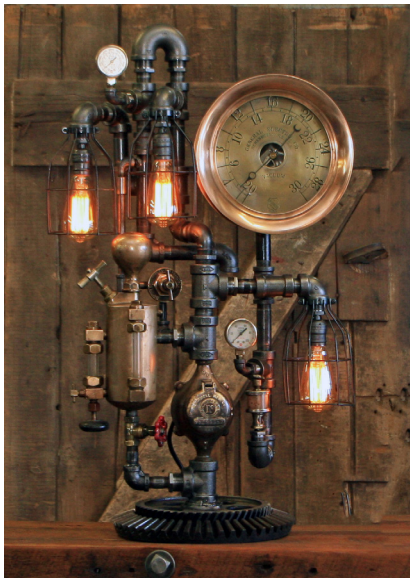

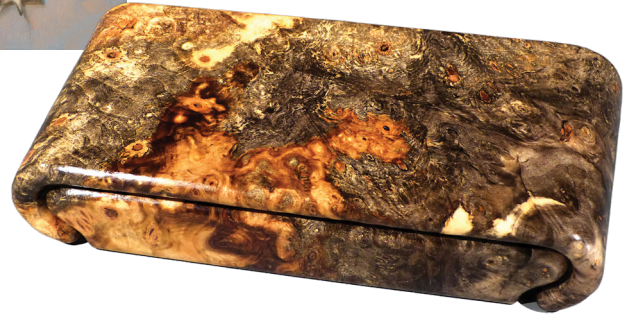

I want you to cherish your journey as I have mine. I want you to live a life authentic to who you are and find strength in listening to your heart. Through illustrations, surreal expressions that capture these complex ideas; through mixed media colorings, themselves a representation of my patchwork foundation; through vacating my id to allow these furry, feathered, blubbered beasts to be, I'm sharing my truth on paper. I invite you to share in living with feet in disparate worlds.
