The Madison Museum of Contemporary Art Welcomes One and All to the 65th Annual Art Fair on the Square

The Board of Trustees and Staff of MMoCA are excited to welcome you to the 65th annual Art Fair on the Square! The Art Fair on the Square is the largest and longest-running fundraiser for the Madison Museum of Contemporary Art (MMoCA). Over the Art Fair weekend, fairgoers can meet nearly 500 juried artists; purchase unique works of art and fine craft; taste sweet and savory treats from dozens of food vendors; visit sponsor booths to learn more about their offerings and giveaways; and take in live entertainment on three stages. Other features include the Silent Auction tent, along with a lively Kids Area and the Emerge Block, which highlights a dozen early career artists, some of whom will be exhibiting in an art fair for the very first time.

ABOUT MMoCA

The Madison Museum of Contemporary Art offers free daily gallery admission. The Museum's vision is to be an organization that fosters the exchange of ideas and creates experiences that will inspire a wide audience; be a nexus for the work of emerging and established regional, national, and international artists; serve as a catalyst for the continued development of a vigorous community of artists; and provide a forum that will encourage people to be challenged by, reflect on, and make connections between art and the world around them. The Museum includes four galleries, a Rooftop Sculpture Garden, and The Shop, a space providing interactive contemporary art experiences and educational workshops for the community.

Please visit mmoca.org to learn more about our events, exhibitions, and programs. Support MMoCA's mission to provide free access to art experiences at mmoca.org/donate or by becoming a member.

GRETA SANDQUIST

MMoCA selected Greta Sandquist to be the 2023 Art Fair on the Square Featured Artist. The featured artwork, *Edge of the Forest*, is oil and copper leaf on cradled wood panel. The work will be available for bidding in the Silent Auction at the Art Fair.

ARTIST'S STATEMENT

This series of oil paintings combines two themes I love—nature and people's faces. My use of metal leaf provides the alchemy that joins these themes. For ages, metal leaf has been used in iconography to draw viewers out of realism and transport them into a new and unimaginable reality.

Nature, especially wildlife, has been a theme in my work for many years. I have always felt drawn to animals, and I have a desire to connect and get closer. I want to touch the soft fur of the fox, or to feel the near weightlessness of a tiny bird in my hand.

Faces and figures also intrigue me. I fell in love with portrait painting at an early age, and I still find it a sheer joy to see a face come alive when I paint the light in the eyes. I love how, with just a few brush strokes, I can portray endless complex emotions with enough strength of expression that the viewer can feel as though they see themselves in that face.

These two themes are unified by intertwining wildlife and women together. And the gold or silver or copper

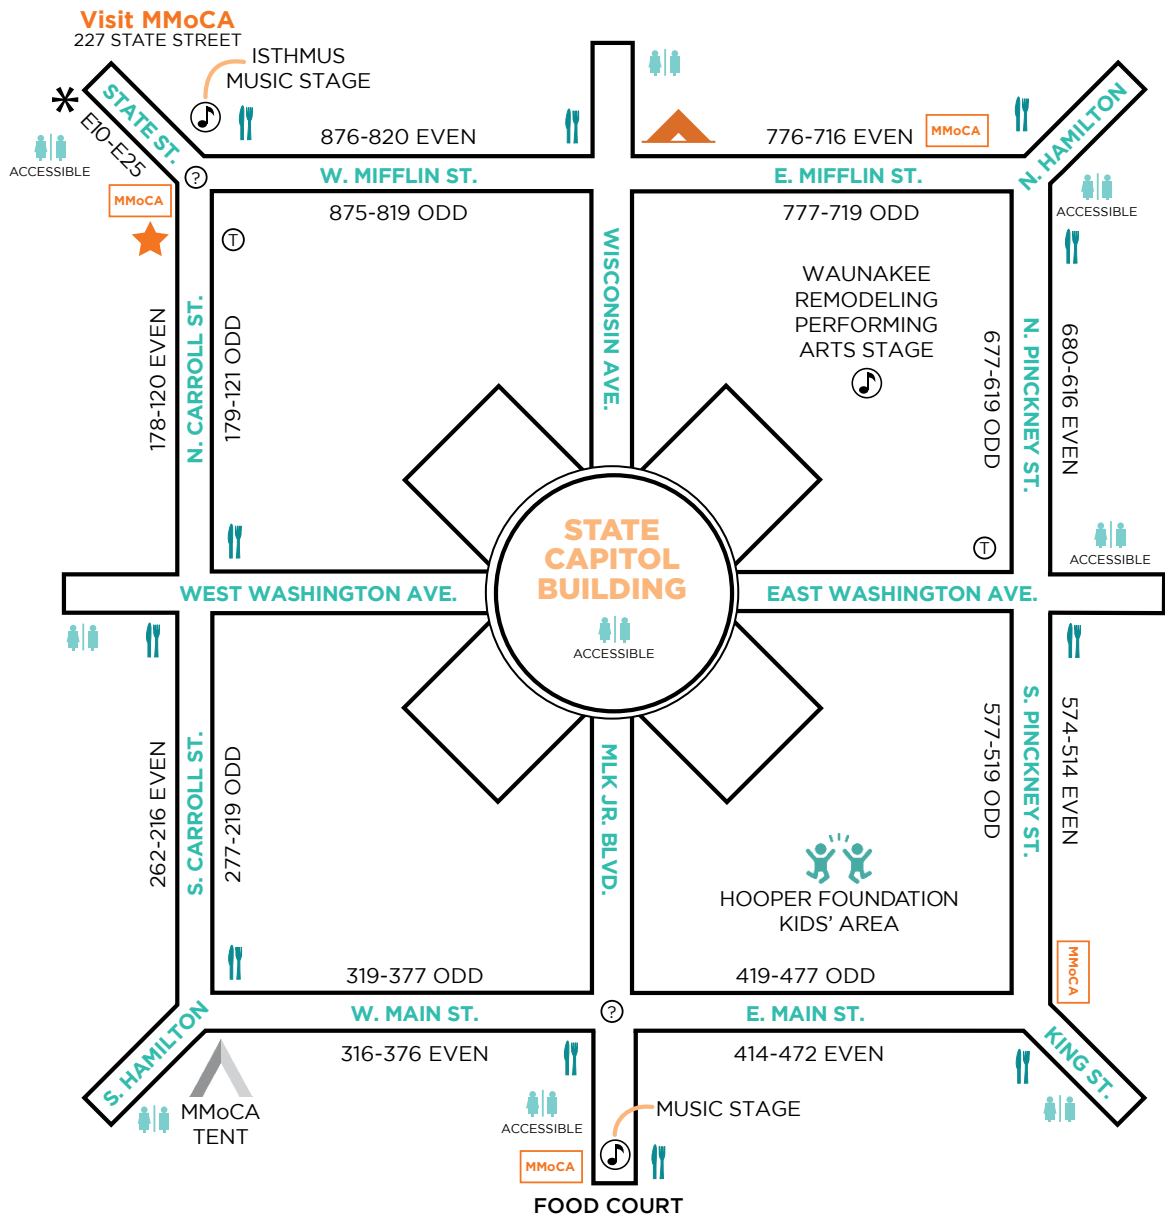

details take the viewer by the soul into a world where one can encounter nature in all its wild beauty—feel the fox's soft fur and hold the tiny bird without limitation and without fear. For a fleeting moment, the gulf that separates us from nature is closed, the unreal becomes real, and our longing for connection is met.

Greta Sandquist is based in St. Paul, Minnesota

This Summer at MMoCA

The Madison Museum of Contemporary Art has a host of exhibitions, educational programs, and events on tap this summer—all made possible by your support of our largest annual fundraiser, Art Fair on the Square. Here are a few things to put on your calendar:

Art Cart and Art Cart EXTRA! June through August, 2023

Look for MMoCA's colorful Art Cart van this summer at parks, community centers, and beaches near you! The van comes packed with art projects for kids for some outdoor family fun. The program is admission free. Find dates and locations at mmooca.org.

Floyd Newsum: Evolution of Sight On View through October 8, 2023

Floyd Newsum's first large-scale retrospective reflects on the Memphis-born artist's entire practice, including his paintings, printmaking, and public art commissions. With a career spanning nearly 50 years, Newsum invites viewers to look closely at his works in order to provoke them into further consideration of the personalized signs and imagery that he utilizes.

Young at Art 2023 On View through August 6, 2023

Young at Art, a showcase of artwork by Madison Metropolitan School District art students, features a variety of media, including prints, painting, sculpture, jewelry works, and photography. You'll be amazed by the talent of these budding artists.

Rooftop Cinema August 10, 17, 24, and 31

MMoCA's popular summer cinema series brings acclaimed independent films to the Rooftop Sculpture Garden. This year, enjoy four films on August 10, 17, 24, and 31. Films screen just after sunset. Find additional film and ticket information at mmooca.org/rooftopcinema.

JURY PANEL

MMoCA is pleased to welcome the 2023 Art Fair on the Square Jurors

ANGÉLICA CONTRERAS MIXED MEDIA ARTIST

Angélica Contreras is a Latinx artist interested in exploring the relationships between identity, tradition, and pop culture, through its many layers. Her artwork has been shown in exhibitions in Mexico and the U.S., including “Caja de Visiones” at Madison Museum of Contemporary Art and “The Hidden Faces/ Los Rostros Ocultos” at Latino Arts Inc. in Milwaukee. Contreras was a recipient of the Forward Art Prize in 2020, an annual award targeted to support the work of female artists in Dane County. She currently lives and works in Madison, Wisconsin, where she continues to create and showcase her art.

TODD JOHNSON ARTIST

Todd has always had a deep love for creating art. In high school, he took classes at the Milwaukee County War Memorial Center. He also was an accomplished athlete and coach at the collegiate level. Todd made a promise to his Aunt Diane Johnson, who was the Athletic Counselor for UW-Madison Athletics, to get his bachelor’s degree and utilize his gift of being artistic. Todd is currently a junior at UW-Madison on the Dean’s List and is pursuing a Bachelor’s Degree in Fine Art. He will graduate in the spring of 2023. He currently works for Goodwill Industries as a residential counselor for elderly residents who need mental health support. Todd is deeply rooted in a sense of community and wants to share his passion for art with everyone.

JENNIFER RIDLEY HANSON PARTNER, SLATESTONE WEALTH

Although most of her career has focused on financial services, Jennifer has been an art lover and supporter for many years. Growing up in Milwaukee, Jennifer enjoyed annual field trips to the Milwaukee Art Museum and spent her early years performing in local community theatre and attending creative writing workshops. After studying Liberal Arts at Lawrence University, she moved to Chicago to work in professional theatre marketing and administration. Learning about the business side of the arts led her to find her true calling. Jennifer currently serves as Director of Wealth Planning, Senior Wealth Advisor and Partner with SlateStone Wealth.

SARAH J STANKEY ARTIST AND CURATOR AT THE ARTS + LITERATURE LABORATORY

Sarah Stankey received her MFA from the University of Wisconsin-Madison in 2019 and her BFA from the Milwaukee Institute of Design in 2013. Her own studio practice consists of photography, sculpture, and research within zoology, limnology, and geology. Sarah’s interest in the natural sciences and fine arts has led her to employment at multiple museums. She is currently employed as the Lead Curator at the Arts + Literature Laboratory in Madison.

MUSHKA YURKEW ARTIST

Mushka is a multidisciplinary artist and performer based in Madison. A graduate of The Museum School at Tufts, he is the founder of the downtown Mushka Studios, specializing in figurative painting, illustration, costumes, and graphic design. Mushka has made a lifelong creative career in unique industries, working on various projects for clients such as Warner Brothers, DC Comics, and Nickelodeon. His unique and playful styles blend Classical and Contemporary techniques, which he gratefully owes to supportive friends and family. Mushka is also passionate about the Theremin, from which he conjures magical melodies to help raise funds for kids with cancer.
